I

General Statement

The name of this organization is Offshore Operators Committee ("the Committee"). The Committee is a nonprofit organization comprised of any person, firm or corporation owning offshore energy leases as a Member (as defined below), and any firm, person or corporation engaged in offshore energy activity as a contractor, service company, supplier or any other capacity that desires to participate in the work of the Committee as an Associate Member (defined below), or individually as an In-Kind Member (defined below). As used in these By-Laws, the term "Outer Continental Shelf" or "OCS" shall have application to all submerged land, its subsoil and seabed that belong to the United States and are lying seaward and outside the states' jurisdiction. (These areas currently include the Atlantic OCS, Gulf of Mexico OCS, Pacific OCS and Alaska OCS.) The Committee's activities are focused on providing its membership with information and technical support that will assist them in conducting their offshore energy activities in a manner that will promote sound operational safety and prudent environmental practice.

II

Mission Statement

Specifically, the Committee will be actively engaged in, but not limited to the following activities:

- 2.1 To conduct a cooperative effort to become familiar with and to stay informed as to the laws, rules and regulations adopted or being considered by the various governmental entities asserting jurisdiction over matters affecting the OCS offshore energy industry, and to consult with and advise such governmental entities concerning matters affecting the OCS offshore energy industry, including but not limited to:
 - (a) On operational and regulatory issues, the Committee will serve as a focal point for interaction between its members and the governmental agencies (including but not limited to the Department of the Interior, the Bureau of Ocean Energy Management, Bureau of Safety and Environmental Enforcement, Army Corps of Engineers, Department of Energy, Environmental Protection Agency, Coast Guard, and the Office

of Natural Resources Revenue and other agencies as warranted) that have jurisdiction over renewable energy, mineral exploration, development and production activities on the OCS.

- (b) Disseminate among its operators, Members and Associate Members, information regarding existing and pending government agency rulemaking, notices offshore operational issues and any other government related issues that impact operational activities on the OCS.
- (c) Facilitate participation among leaseholders, operators, contractors, other trade organizations and regulatory representatives through activities, such as forums and workshops, designed to promote regulatory awareness, best practices or to share information used in the development of prudent operational practice.

2.2 The Committee shall not develop or publish industry standards and recommended practices for conducting operations but will cooperate with regulators and with other industry organizations in their evaluation, or development of, new or revised domestic or international related standards that will have an impact on its membership's activities on the OCS.

2.3 The Committee may develop or publish guidance or summary documents affecting operations when an appropriate standard or recommended practice does not exist. Development of a guidance or summary documents may be in cooperation with regulators, other industry organizations, or through a workshop or forum. Subcommittee or Workgroup Chairs must approve each guidance document before going to the Board of Directors for vote by majority of the members attending the meeting or if polled electronically, the majority of votes received.

2.4 Conduct such studies and investigations as the Committee may deem appropriate with respect to the following matters:

- (a) Oceanographic studies, weather forecasting, construction, drilling, producing, safety, pollution control, aids to navigation and any other matters commonly affecting offshore operations.
- (b) When requested to do so by governmental agencies, or by institutions or associations in the field or engineering, to take part in cooperative studies and investigations of such matters as are not contrary to Federal or State laws and which studies or investigations are not prejudicial to the individual rights of any Member.
- (c) Perform, or participate in, studies or investigations to determine or support the Committee's position on various issues affecting operational or regulatory activities. Address requests or requirements for information by regulatory agencies that relate to offshore energy operational issues. Engage in any other projects approved by the Board of Directors that

support Member operations on the OCS.

- 2.5 Actively recruit all OCS operators, leaseholders, and associates, into the Committee in order to obtain their participation in, and improve their awareness of, all issues that affect mineral exploration and development and renewable energy on the OCS.
- 2.6 Support activities that help the public to become better informed about activities on the OCS.
- 2.7 To contract for services of any person, partnership, corporation or other entity to carry out any of the objectives and purposes set forth in this Article II. Only the Chairperson, Vice-Chairperson, Secretary-Treasurer or Executive Director shall be empowered to execute binding contracts on behalf of the Committee and then only after approval in accordance with the By-Laws.

III

The Committee – Organization

- 3.1 MEMBER: Any person, firm, or corporation owning offshore leases, working interests in properties in the OCS or operating rights in properties in the OCS and desiring to participate in the work of the Committee may become a Member by (1) paying the then current membership fee and accepting these By- Laws, and (2) appointing a Representative and Alternate Representative to the Committee. The appointing Member may replace any such Representative or Alternate Representative at any time.
- 3.2 ASSOCIATE MEMBER: Any person, firm, or corporation who, although not an owner of offshore leases as described in Section 3.1, is engaged in offshore activity as a contractor, service company, supplier or other capacity, that desires to participate in the activities of the Committee, may become an Associate Member upon (1) the affirmative vote by majority of the Board of Directors members attending the meeting or if polled electronically, the majority of votes received., (2) payment of the then current membership fee and acceptance of these By-Laws, and (3) the appointment of a Representative and Alternate Representative to the Committee. The appointing Associate Member may replace any such Representative or Alternate Representative at any time.

An Associate Member's Representative or Alternate Representative shall not be entitled to vote or hold office, but should an Associate Member become the owner of a lease or an interest in an offshore lease, such Associate Member is entitled to become a Member with the rights and privileges thereunto appertaining. Associate members may, however, serve on standing or special subcommittees of the Committee including the position of Co-chair.

- 3.3 IN-KIND MEMBER: Any person who, although not an owner of offshore leases, is engaged in offshore activity as a contractor, service company, supplier or other capacity, that desires to participate in the activities of the Committee, may become an In-Kind Member upon (1) Supply of an In-Kind membership form outlining the proposed in-kind services and support offered in lue of membership category dues payment, (2) the affirmative vote by majority of the Board of

Directors members attending the meeting or if polled electronically, the majority of votes received.

An In-Kind Member shall not be entitled to vote or hold office. In-Kind members may, however, serve on standing or special subcommittees of the Committee including the position of Co-chair.

- 3.4 The officers of the Committee shall consist of a Chairperson, Vice- Chairperson, and Secretary-Treasurer. Such officers shall be elected and take office at the first general meeting held in the calendar year and their term of office shall be for a minimum of two years.
- 3.5 The Chairperson shall preside at and conduct meetings of the Committee and, subject to Board of Directors approval, appoint such special and standing subcommittees as deemed necessary and advisable to carry out the purposes of the organization. The Chairperson may appoint individual persons to such subcommittees or may designate companies to furnish members of such subcommittees. In addition, the Chairperson may appoint an advocate for the subcommittees from members of the Board of Directors.
- 3.6 The Vice-Chairperson shall act in the absence of the Chairperson.
- 3.7 The Secretary-Treasurer shall oversee OOC Contractors to maintain the financial records and files of the Committee within the OOC cloud, collect all dues and fees and pay routine and authorized expenses by checks, ACH payments, and wire transfers drawn on the accounts of the Committee and supported programs.
- 3.8 THE BOARD OF DIRECTORS: In addition to the various subcommittees which the Chairperson is authorized to appoint, there shall be a Board of Directors of up to nineteen (19) individuals consisting of the following persons, whose tenure of office shall be for a minimum of two (2) years, corresponding to the tenure of office of the officers of the Committee. The Board of Directors will be chosen as follows:
 - (a) One shall be the current Chairperson of the Committee who shall also be Chairperson of the Board of Directors.
 - (b) One shall be the current Vice-Chairperson of the Committee who shall also be Vice-Chairperson of the Board of Directors.
 - (c) One shall be the current Secretary-Treasurer of the Committee who shall also serve as the Secretary-Treasurer of the Board of Directors.
 - (d) One shall be the immediate past Chairperson of the Committee, if available.
 - (e) The remaining members shall be nominated and elected by majority of the Board of Directors members attending the meeting or if polled electronically, the majority of votes received.
 - (f) The Chairperson of the Board of Directors can appoint a special Nominating Committee to identify a slate of officers to serve during the

next calendar year. Upon approval of the Board of Directors, the Nominating Committee's recommended slate of officers will be presented to the Membership.

- (g) The Board of Directors can approve up to five (5) Representatives of Associate Members to the Board of Directors who shall be entitled to attend all Board of Directors meetings and participate in all discussions but who shall not be entitled to vote or hold any office on the Board of Directors.
- (h) The Board of Directors can approve up to five (5) Representatives of Members to the Board of Directors who shall be entitled to attend all Board of Directors meetings and participate in all discussions but who shall not be entitled to vote or hold any office on the Board of Directors.
- (i) The Board of Directors is comprised of sixteen (16) Gulf of Mexico region member representatives and one (1) member seat for each active OCS region outside of the Gulf of Mexico. A nominated member must own an offshore lease in the OCS region they will represent. However, Board of Directors members are precluded from having more than a single seat on the Board of Directors. For example, a Board of Directors member with Gulf of Mexico leases may not add a second Board of Directors seat for Pacific, Atlantic or Arctic leases.
- (j) No Member shall have more than one voting employee or Representative on the Board of Directors.
- (k) Each Board of Directors member must attend at least two (2) Board of Directors meetings per year and have paid their dues by March 31st of the year of membership to maintain their seat without requiring a seat approval vote of the remaining Board of Directors members in good standing.

3.9 In the event the Chairperson of the Committee shall at any time before expiration of his or her term of office, resign, die or otherwise become unable to fulfill such duties, the Vice-Chairperson shall automatically become Chairperson for such remaining unexpired term of office. In the event the Vice-Chairperson or Secretary-Treasurer of the Committee or any elected member of the Board of Directors shall, at any time before expiration of their terms of office, resign, die or otherwise become unable to perform their duties (or, in the case of the Vice-Chairperson, if he or she automatically becomes Chairperson) the Board of Directors, may select a replacement to serve for the remaining unexpired term of such office. Selection requires a majority vote by the Board of Directors members attending the meeting or if polled electronically, the majority of votes received.
